To Whom it May Concern:

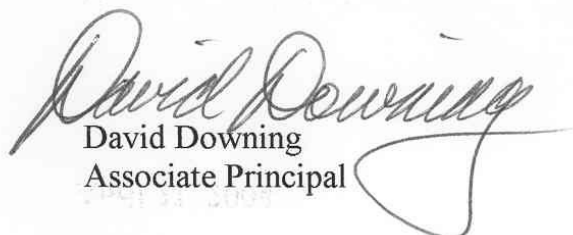

It is a pleasure to write this letter of recommendation for Briana Allen.

I supervised Ms. Allen during the 2003 session of Summer School at Resurrection High School, and was impressed by her professionalism. She was always early, and her lesson plans prepared in advance. Ms. Allen employed strong classroom management strategies, and discipline was never an issue in her class as she engaged and involved her students in the learning process. Her delivery of instruction was age appropriate, and her pacing and straight forward teaching style made the sometimes challenging content more understandable for her students.

Ms. Allen was a strong leader in the classroom. Many of her students looked to her as a role model, and she always made time to assist students when they were struggling. Ms. Allen also made herself available to help any other teachers who were having problems with their computers. It was this consistent positive presence that made her an asset to our summer program.

I am looking forward to working with her again during Resurrection High School's 2004 session of Summer School, and can unhesitatingly recommend her for any position for which she is applying. If you have any questions, please contact me at (773)775-6616, Extension 138, or through e-mail at ddowning@reshs.org

Sincerely,

David Downing
